# FILM A SCENE!

## On-Location Scene Filming (Self-Tapes & Reel Work)

Bring your audition or reel to life by filming a scene on location—whether it's in a stylish apartment, a cozy room, or a scenic park. This option gives you:

- **Professional setup:** Real camera, lights, and sound.
- **Authentic environment:** Capture a scene in a genuine location rather than a studio.
- **Scene writing:** Custom-written scenes tailored to showcase your strengths.
- **Flexible budget:** Affordable packages tailored to your needs.
- **Reel-ready footage:** Perfect for auditions, showreels, or content for casting submissions.

Whether you're looking for cinematic footage for your reel or a movie audition, we'll create a polished, professional result without breaking the bank.

*Starting at \$100/hr*

# FAQ

---

1. All sessions are by appointment only.
  2. Please arrive on time – late arrivals may reduce usable session time. Overtime may incur additional fees. Session time includes personal setup and breakdown.
  3. All cinema camera footage will be color graded and emailed within 1–2 hours post-session. Editing services are delivered digitally unless otherwise requested.
  4. Scene shoots require a brief pre-consult to determine final pricing.
  5. **Sheet music must be provided to the accompanist at least 3 days in advance.** (Rush options may be available.) Clients may bring their own accompanist at no additional cost.
  6. **Standard custom piano tracks require a 3–7 day turnaround.** Rush options may be available.
  7. The Tape Room is a private home studio; please be respectful of the space.
